ABOUT US

“Enabling young Dreams”

Dream Learn Work (DLW) is a **Brazilian non-profit organization founded by representatives of Norwegian companies in Rio de Janeiro.**

Access to education is at the heart of socioeconomic inequalities in Brazil.

DLW provides opportunities for young adults to change their prospects through education.

By providing education, we are also fighting racism, poverty, prejudice and intolerance.

DLW believes that youngsters with citizen awareness can fight social injustice. We help them make their dreams and goals come true and to believe in themselves.

SDG Impacts

DLW includes the UN Sustainable Development Goals in all of our work and operations.

Focus on and follow-up of participants' personal and professional development

DLWs individual follow-up and acting in a network with local communities has led to very high completion rates in our courses. This shows the importance of a collective effort towards participant development.

CORPORATE SOCIAL RESPONSABILITY

By participation in both national and international events, DLW gained a stronger visibility and larger network, as well as increased confidence in our work.
